BY-LAW No. 25.

*To limit dangers from fires and dealing with same when they arise.*

THE Municipal Council of the Corporation of the City of Kaslo enacts as follows :—

1. On and after the promulgation of this by-law no new house shall be accepted for any purpose without first having a properly constructed brick chimney therein, commencing at least thirty (30) inches below the ceiling of the lowest story, and continuing up through the roof for at least thirty (30) inches, and covered with a brick arch or cowl to prevent the emission of sparks.

2. No stove-pipe shall pass through any partition without metal thimbles, or be fixed horizontally, but must rise at least one (1) inch to the lineal foot towards the brick chimney. All pipes shall be well jointed and secured by iron or copper wire to prevent their being jarred out of place or coming in contact with wood, cotton or paper.

3. Every stove shall stand on an iron or zinc plate or base at least 2 feet by 3 feet, or 6 feet in area, for ordinary room stoves, and larger in proportion for larger or kitchen stoves.

4. Every house of two stories or more in height shall have a strong fixed ladder attached securely to the side or end thereof for free and rapid access to the roof in case of fire, and such ladder shall be kept in perfect repair and safe for firemen's use at all times.

5. All owners of existing houses which are without brick chimneys must, immediately after the promulgation of this by-law, take the necessary steps to make the stove-pipes conform to the following conditions :—

(a.) The stove-pipe must pass through the roof of the house for at least three feet and well secured :

(b.) The top of the pipe must have a spark arrestor or a conical cowl :

(c.) All internal pipes must be properly secured and well tied with wire to keep them in place :

(d.) All pipes must be fitted with metal thimbles where they pass through the roofs or partitions, so as to render them safe from fire or danger from contact with cotton, paper or wood :

(e.) On or before the 1st day of July, A.D. 1895, all pipe chimneys must be done away with, and nothing but brick chimneys, as described in section 1 hereof, will be permitted to exist within the limits of the City of Kaslo in any house, building or messuage whatsoever.

6. The Chief of Police is hereby appointed as Fire and Chimney Inspector, and he shall be and is hereby declared to be responsible for the absolute execution

of the preceding sections hereof in all their integrity, and is hereby invested with all power to enter all buildings and enclosures between the hours of sunrise and sunset to ascertain that this by-law and all its requirements have been complied with.

7. Should any person or owner refuse to admit the Inspector, or after having been duly requested to conform to the above by-law and make his or her premises safe, and who refuse or neglect to carry out the orders of the said Inspector for two days, the said Inspector shall at once summons them to appear before the City Police Magistrate to answer the charge of such neglect and of imperilling the City.

8. The City Police Magistrate shall, as early as possible after the issuance thereof, hear all summonses under this by-law, and all offences thereunder shall, upon conviction, be punishable by fine not less than five dollars and costs, or more than one hundred dollars and costs, which fines and costs, or either of them, shall be recoverable on judgment being given and execution granted by distress, and if no sufficient distress then by imprisonment at hard labour for not less than two days or more than forty days.

#### VOLUNTEER FIRE BRIGADE.

9. There is hereby authorized and recognized the Kaslo Volunteer Fire Brigade, whose chief executive officer shall be the Chief of Police of the City of Kaslo. The Chief hereinafter referred to shall mean the Chief of the Kaslo Volunteer Fire Department.

10. The City of Kaslo shall provide all necessary apparatus for the suppression of fires, which apparatus shall be placed at the service of the Kaslo Volunteer Fire Brigade.

14. The Chief may appoint three Deputy Chiefs from the members of the Kaslo Volunteer Fire Brigade, recommended by the Brigade and approved by the Council, who, in case of accident, shall each assume the duties, powers and responsibility of the Chief in order of seniority.

15. No apparatus, or parts thereof, shall be used for private purposes of any kind without permission of the Chief in writing.

16. All persons at or near any fire shall assist the Brigade under the direction of the Chief, but not otherwise, and shall, when ordered to do so by the Chief, assist in keeping space clear and preserving order.

17. The Chief shall have full power, with the advice and concurrence of the Mayor or any two members of the Brigade, or two members of the Municipal Council, or a number of two drawn partly from the Council and partly from the Brigade, to demolish, pull down, blow up, or otherwise deal with buildings to stay and arrest the progress of fire, to create apertures in blocks to prevent fire extending from house to house, and this power shall be exercised with promptitude and decision, but without reckless or careless waste of property, and all powers so executed shall be deemed to be the act of the City, performed for the benefit of the people and in the interests of the community at large.

17A. The Chief shall specially train six of his volunteers to act as a demolition detachment of the Kaslo Volunteer Fire Brigade, and always have ready and fit for immediate use 200 pounds of powder, 1,000 feet of copper wire and an electric hand battery for demolishing buildings when occasion demands. Any three of these men shall be a detachment for the execution of this work under the orders of the Chief.

18. Any person insisting on interfering with the authorities in charge at the fire shall immediately be arrested and locked up out of the way till after the fire has been extinguished.

19. The special police constables shall preserve order and carry out promptly all instructions of the Chief of Police, or Acting Chief of the Fire Brigade to facilitate the work of suppression of the conflagration.

20. Any person or persons obstructing the Brigade in the execution of their duty or acting in direct defiance of the orders of the Chief shall be liable, on conviction before the Police Magistrate, to a fine of not less than \$5 and costs, or more than \$100 and costs, or imprisonment at hard labour for not less than 2 days or more than 40 days.

21. After the promulgation of this by-law every person shall deliver to the Chief all buckets, ladders, lanterns, axes, tools and implements in his possession, and all property found on any premises by the police after that date shall be seized by them and the owners of the premises summoned for having in their possession stolen property belonging to the City of Kaslo, and dealt with as by statute provided.

22. The Chief shall organize a salvage corps for the proper, safe and speedy removal of goods in danger of being consumed by fire, who shall take charge and be responsible for their removal to a place of safety. All goods so saved shall be liable to a charge of fifteen per centum of their net value, such value to be appraised by a fair responsible citizen to be selected or drawn for by the owners and the City, and the amount of salvage shall be paid to and be recoverable by the City as liquidated damages before the Police Magistrate.

The Chief shall make weekly reports to the Council on all matters of account, condition of apparatus, efficiency of the Kaslo Volunteer Fire Brigade, and all and any other matters to show the complete readiness of the Department to cope with emergencies.
